1 Port Parallel 10/100 Mbps Print Server

StarTech ID: PM1115P

Print servers save you money by letting you share one printer between many networked users instead of having to purchase separate printers for each individual. StarTech.com's PM1115P does not require a dedicated print server PC, so you can position the printer anywhere you want on your network and avoid the performance bottleneck you'd have with an always-on PC acting as the print server.

Straightforward Installation Wizards and remote web-based management make it easy to configure and use your print server. The palm-sized, lightweight print server plugs directly into your printer's Centronics port and needs only an RJ-45 networking cable to connect it to the rest of your network. Compatible with most major operating systems, the PM1115P is the perfect parallel printer solution for home or small office networks.

Applications and Solutions

- > Connects your Ethernet network to one Parallel printer
- > PM1110P offers network printing solution for home, small office, educational & government institutions and any other environment

Features

- > Compact and light weight print server only weighs 2.4 ounces

- > Compliant with IEEE 1284, IEEE 802.3 & IEEE 802.3u standards
- > Configurable using a Web based browser or a Windows based configuration
- > Connects directly to the Centronics port of your printer
- > Easy setup and configuration
- > Eliminates the need to purchase additional printers for individual workstations
- > Share 1 printer with computers connected to a home or small office network
- > Support SNMP for remote printer management and works with any SNMP based application to access and manage
- > Supports 10/100 Mbps fast Ethernet network

Specifications

- > Color Beige
- > Connector Types 1 - Centronics 36 Male
- > Connector Types 1 - RJ45 Female
- > Enclosure Type Plastic
- > Product Height 22
- > LED Indicators 1 - LAN
- > LED Indicators 1 - Status
- > LED Indicators 1 - Activity
- > Product Length 55
- > Number of Ports 1
- > Power Adapter Center Tip Polarity Positive
- > Supported Protocols AppleTalk
- > Supported Protocols IPX/SPX
- > Supported Protocols NetBEUI
- > Supported Protocols SMNP
- > Supported Protocols TCP/IP
- > Remote Management Ability Yes
- > Shipping (Package) Weight 1.15 lb [0.52 kg]
- > Product Weight 67
- > Product Width 50
