## 1 Port USB 10/100 Mbps Print Server

StarTech ID: PM1115U

Print servers save you money by letting you share one printer between many networked users instead of having to purchase separate printers for each individual. StarTech.com's PM1115U does not require a dedicated print server PC so you can position the printer anywhere you want on your network and avoid the performance bottleneck you'd have with an always-on PC acting as the print server.

Straightforward Installation Wizards and remote web-based management make it easy to configure and use your print server. The palm-sized, lightweight print server plugs directly into your printer's USB port and needs only an RJ-45 networking cable to connect it to the rest of your network. Compatible with most major operating systems, the PM1115U is the perfect USB printer solution for home or small office networks.

### Applications and Solutions

- > Connects your Ethernet network to one USB printer
- > PM1115U offers network printing solution for home, small office, educational & government institutions and any other environment

### Features

- > Compact and light weight USB print server only weighs 1.6 ounces

- > Compliant with USB 2.0
- > Configurable using a web based browser or a windows based configuration
- > Easy setup and configuration
- > Eliminates the need to purchase additional printers for individual workstations
- > Share 1 USB printer with computers connected to a home or small office network
- > Support SNMP for remote printer management and works with any SNMP based application to access and manage
- > Supports 10/100 Mbps fast Ethernet network

## Specifications

- > Color Beige
- > Connector Types 1 - RJ45 Female
- > Connector Types 1 - USB A Female
- > Enclosure Type Plastic
- > Product Height 0.79 in [2 cm]
- > LED Indicators 1 - Status
- > LED Indicators 1 - LAN Connectivity
- > LED Indicators 1 - Activity
- > Product Length 2.95 in [7.5 cm]
- > Maximum Data Transfer Rate 100000
- > Number of Ports 1
- > Power Adapter Included Yes
- > Power Adapter Center Tip Polarity Positive
- > Supported Protocols AppleTalk
- > Supported Protocols IPX
- > Supported Protocols LPR
- > Supported Protocols NetBEUI
- > Supported Protocols SNMP
- > Supported Protocols TCP/IP
- > Remote Management Ability Yes
- > Shipping (Package) Weight 1.13 lb [0.51 kg]
- > Product Weight 1.59 oz [45 g]
- > Product Width 2.17 in [5.5 cm]
